Claims Provisionally Accepted by IRP - The claims accepted by IRP are subject to further revision/substantiation/modification on the basis of any additional information/evidence/clarification which may be received subsequently and which warrant such revision/substantiation/modification. Please note that the some of the amounts admitted currently are a best estimate of the claims, basis available information.

Claim admitted are without verifying payments from bank statements from the class of creditors. Class of creditors may be required to furnish Bank Statements to verify proof of payment upon specific request on case to case basis.

Note 1 For the purposes of calculation of voting share in the Committee of Creditors, Claim admissible includes principal amount and interest calculated on document date at the rate of 8% as per Regulation 16A(7) of the IBBI (Insolvency Resolution Process for Corporate Person) Regulations, 2016

Note 2 For claims involving decree/order passed by court or judicial authority, the voting share has been calculated based on the principal i.e. lower of actual amount claimed under Form CA or the principal allowed as per decree/order together with interest computed basis Note 1

Note 3 Principal includes the amount actually paid by the allottee to the Corporate Debtor and does not include any non-cash credits which appear in the statement of accounts.
